South Bend Community School Corporation Career and Technical Education

On behalf of the Career and Technical Education students of South Bend Community Schools and the Indiana Parenting Institute of St. Joseph County, **we invite you to participate in our Second Annual Workforce Readiness Fair on Thursday, May 9, 2019 from 9:45AM to 2:30 PM at the Century Center.** The faculty and staff of the SBCSC Career and Technical Education Dept. are excited about our curriculum and our focus on our students' talent. We cordially invite you to join us as a sponsor and/or vendor to help us enlighten our students and their families of the opportunities in an ever-changing job and internship/apprenticeship landscape.

Your sponsorship and participation in the Workforce Readiness Fair will enable us to offer valuable after-school programs at Washington High School and Riley High School. In addition, your participation as a sponsor helps us to continually connect our students with local businesses. Details of the sponsorship levels are found on the next page.

Not interested in being a sponsor this year? No problem. ***You can still join this year's event by hosting a Vendor Table for just \$100!***

The registration deadline for the 2019 Sponsorship at the Platinum, Gold and Silver levels is May 3, 2019.

The SBCSC Career and Technical Education Department and Indiana Parenting Institute of St. Joseph County is committed to providing an innovative education to equip students for life-long career development, and we look forward to joining with you to make this happen. If you have any questions, please contact Sarafina Leyba at 574-393-6027.
